Who Else Wants to Tame the Adwords Beast & Tap Into a Tsunami of People Eager to Spend Money on Whatever You're Offering? There is a mountain of money growing larger out there and the smart marketers who know how to climb the cash mountain are making a killing! Dear Adwords Aficionado, Every day there are around 200 million searches performed in the search engines, and every day millions of dollars is spent online! Adwords allows you to tap that traffic right at the source, to stand there with a sign and direct people to where you want them to go and spend their money. In the right hands Adwords can be devastatingly effective, in the wrong hands it can just be devastating. This beast bites! Introducing 'Mastering the Adwords Cash Mountain' What if you could learn more than probably 95 of the people out there using Adwords right now? Would that help you to make some serious money online? Would that help you to destroy your competition? Imagine the satisfaction of being able to pay less and get more from each keyword because you know how to get a great quality score, imagine the thrill of being able to walk in and start taking your competition's traffic and sales right out from under them! This product was created to cut through all the hype and 'smoke and mirrors' out there that try and sell you a \$997 course

on how to make millions from Adwords when they don't even teach you the fundamentals to having a profitable campaign. You can't teach someone to run a marathon before they can walk! Did you ever hear someone saying Google Adwords is a simple system? If you did, then I have to be honest with you, IT IS NOT THAT SIMPLE. The people who said it was simple, are not the ones who are successful with it! With a growing system like Google Adwords there is constant learning involved in order to keep up with the competition. Here is what you could be learning just minutes from now! The precise steps that must be taken in order to setup a campaign properly - CRUCIAL! 1 sneaky trick you can do with Adwords to see inside your market and find out exactly what they want to buy from you! The single biggest mistake that people make which renders all their hard work useless - and they don't even notice! (until they crash and burn when they run out of money and have no sales to show for it) The 7 quick fixes you need to help you get an awesome quality score so Google will absolutely love your campaign! (cheap clicks here we come!) The most important part of your whole campaign which will make or break you more than anything else (if you think it's the product you're way off!) The types of keywords you MUST use if you ever want to make some profit... The exact wording that changed an ad with a 1 click through rate to a 19 click through rate overnight! The ONLY time you should be in position 1 (steer clear of it apart from at this time!) And So Much More!
