

## Mistress Of Mischief

It wasn't just having to remove my under shorts in the mens room for the girls who were forcing me to. That was degrading enough but the fact they were both around 15 years older than me added to this 'Old Hags Gone Wild'. Having to walk out of the facility and back to my table was the longest 20 yards I ever walked in that Race Book! Sure, some would say I should have seen it coming. Heck, how many times does a stranger ask you what a gelding is? All my years it never happened before and it may never happen again. Again, I should have been silent but my ego got the best of me and I told them what this type of horse was. Foolish me but the damn manager should have shut up too! Once the words escaped his mouth my ship was sunk! I can still hear Lenore thank this man who was responsible for my little escapade of humiliation. Had it not been for another girl 30 years younger than the 'old broads' My gonads may be laying on the floor of a horse farm and swept up with the manure in a barn!
