Details: About the Artist: Multi-instrumentalist/vocalist Rick Eppedio and lead singer C.R. Keyser-Posner first began playing together in Commonwealth, a well-known New York-area rock cover band, in the late 1970s, before putting aside their set lists to form Barbarian Lovers, an original studio project, in 1984. Independently producing demos on their newly-acquired four-track in Ricks basement, the very first song they wrote together, the catchy and tuneful Hip Hip Hop, caught the ear of Blondie/Go-Gos producer Richard Gottehrer, who encouraged the two to continue their newly-formed collaboration. Shortly thereafter, the pair were offered a record deal with an indie label out of Texas, as well. The following year, the Barbs had their first European release on Italian label Cruisin, who put out a 12 vinyl of Where Have the Feelings Gone b/w Round and Round. Excited by the positive response to their music, the band formed their own independent label, Blue City Productions, in 1987, and began servicing college/alternative radio, garnering much positive press and radio response, including being named Spotlight Pick of the Month by The Gavin Report. Still without a major record deal, despite much interest from several top labels, the pair released their first full-length LP, Fatal Embrace, the same year, which was lauded by Billboards Music Media, as well as scoring substantial radio play and press throughout western Europe and Asia, particularly in France, Spain, Italy, and Scandinavia. In 1989, the bands first LP was re-released in Europe by London-based Aura Records, where labelmates included Alex Chilton, Steve Marriott, and Nico. Following this, the Barbs released two follow-up CDs, Faith in a Desperate Place and Dancing in Dreams, both of which were met with great enthusiasm on European radio,

particularly in Denmark, where the group conducted a radio promotion tour in 1992. After winning a few awards in 2003, the band, who have been compared by critics to acts ranging from Tears for Fears to Eurythmics, went on extended hiatus, eventually resurfacing as the harder-edged Smoke Ring Days. CD Description: Culled from the 1980s and 1990s UK LP Fatal Embrace and the US releases Dancing in Dreams and Faith in a Desperate Place, Desperate Dreams is a retrospective of Barbarian Lovers, featuring a dozen of the band's original efforts, plus two unreleased demo tracks and additional bonus material, all capturing the spirit of the time and the essence of the band's best work.
