Details: Ghetto Dayz, was produced by Big Tapp Over30 inside of Over30 Production, Memphis, TN. If you saw the movie Hustle and Flow, then you witnessed how they get down for their music in Memphis. Big Tapp and Over30 is bring that tag team rap to you like Bun B Pimp C, 8 Ball MJG, but with a different twist. Listening to these guys is a treat! Especially when Big Tapp take control of the Mic with his raspy and hardcore sound. His deliver set you up for Over30 to come to the mic in a totally different approach. I cant say enough about how Over30 smooth vocals change the entire track. The Hip-hop world is saying the south doesnt have lyrics, well this cat Over30 is from the south, and he got lyrics for your ass! They have stunned crowds all throughout the south; the next target is the world! I would say that Memphis, Tenn.-a-key is the next hotspot for the Music Scene, but Memphis has always played a pivotal role in the Music scene. Memphis, has produced or influenced the early bluesmen such as B.B. King and Albert King. Memphis, introduced to the world Elvis, and Jerry L. Lewis. As if that wasnt enough they introduced Al Green, The Staple Singer and many more world class acts. Then Hip-Hop raised its head In Memphis and they introduced Triple 6 Mafia to the world. (Oscar Winners) Big Tapp Over30 is going to add on to the Memphis Music scene legacy.
