Bobby Doowah's contagious enthusiasm, originality and creativity has been captivating and entertaining children for ten years - causing the New York Times to refer to The Musical Mayhem of Bobby Doowah as "the Sgt. Pepper's of children's music." 12 MP3 Songs KIDS/FAMILY: Children's Pop, POP: Beatles-pop Details: Children everywhere are experiencing the magic of Bobby Doowah, the next generation of children's entertainment. Recently, a top executive at Warner Brothers Music called him the most talented and original writer and performer in children's music today. Bobby's shows meet children on their level, without cutesy condescension. He is a "musical entertainer extraordinaire" wrote New York City's Big Apple Parents Magazine, whose concerts routinely feature "kids bouncing ceiling-high, irrepressible hysterics and energetic dancing." As a former educational consultant specializing in music theory and movement, Bobby Doowah has created his unique brand of entertainment to help children focus their attention, induce participation and improve memory retention. A father of two, Bobby recognizes how children will often repeat music. He developed The Musical Mayhem of Bobby Doowah with repeat listening in mind, creating a rich and interesting mix of lyrics and music that remains fresh and unique for children and their parents. To underscore his commitment to enhancing opportunities for children in need, Bobby Doowah donates a portion of his profits to New York City-based New Alternatives for Children, which places mentally and physically challenged children in permanent homes with caring families while offering extensive support services. Able to appeal to four-year olds to forty-year olds, Bobby Doowah represents the next generation of children's musical entertainers by presenting a zany medley of movement with dancing and musical entertainment, exclaims The New York Daily News. He charms kids and parents alike.
