bits and bytes, filters and envelopes, oscillators and effects, drums and synths for creating fine experimental electronic music with suffer and love for you ... hear now ... 13 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Ambient Details: Christian Tanzmann is a German musician born in 1978 and lives in Berlin. He is influenced by many factors. One time it's the city (Berlin) with his multi-cultural scene and clubs. Another influence is the silence of nature. Someone thinks the silence of nature and the experimental music are not equal but it's the basis of Christian Tanzmann's freaky music. Electronic Music and Germany are two inseparable things since KRAFTWERK. Christian Tanzmann is a child of Kraftwerk and all other groups there was also influenced by Kraftwerk like Autechre, Amon Tobin, Air, Westbam, Carl Cox, Lj Bukem and all others. He composed music since 1995 and his music is listened in many countries in the world (Germany, France, Spain, Switzerland, Austria, Poland, Brazil, UK) in this for example he was represented in the Top100 online charts. Christian Tanzmann is not only an experimental electronic musician, he also plays in bands with blues and jazz style, he plays acoustic and electric guitar and piano. Now it was time for his Debut: "suffer and love". It's an electronic dream. It's very experimental in rhythm and effects. The oscillators are crying and synth let you fly away. Come with me to a journey in a world of bits and bytes, filters and effects, oscillators and envelopes, drums and synths. The music will feel you suffer and love... TRY NOW AND HAVE FUN...
