Christian Rap 7 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Spiritual Rap Details: Born and raised in the Detroit Metropolitan area, DC PAC has had many experiences to influence his music. The Hip Hop sound of Detroit coupled with a strong spiritual foundation has produced his HARD HITTING religious/social justice rap style. This son of Italian immigrants had no intention of writing or singing, but events of 9:11 and other frictional events among different peoples of the world sent him on a spiritual journey to write and present his view. Influenced by his acting experience in Los Angeles, DC PAC performs dramatic rap in a way that raises questions and discussions rather than making statements among listeners.
