Elmodic plays memorable, electronic pop music with an alternative edge. 12 MP3 Songs ELECTRONIC: Synthpop, POP: New Wave Details: Elmodic is a crisp and exciting new synthpop act from Germany that made a splash in the underground in 2005 with a self-released album. Now the band comes out in grand fashion, releasing the best songs from that first effort together with many new, would-be hits. With a style similar to other popular synthpop bands from Germany like Distain, Beborn Beton, or De/Vision, they will quickly grab the attention of the world's electronic pop audience. People who are interested in Depeche Mode Information Society De/Vision should consider this download.
