

## Mp3 Fall From Grace - Dogod

[DOWNLOAD HERE](#)

Heavy thrash metal with big guitars and growled vocals, not just fast and tight but heavy. 10 MP3 Songs

METAL: Thrash/Speed Metal, METAL: Doom/Stoner Metal Details: Fall From Grace is an alternative metal band hailing from Portland, Oregon. This four piece creation consists of James Trujillo Jr.: Guitar Drew Raymond: Bass Jim Pittman: Drums Dane Petersen: Throat Famous on the US West Coast for their pulse pounding live shows, Fall From Grace set the standard for alternative metal bands in the 90's and the new millenium. Some of the bands Fall From Grace has played with include White Zombie, Tool, Helmet, Monster Magnet,Sweaty Nipples and Everclear. Branching off into a new and more professional direction, Fall From Grace joined up with former Ozzy Osbourne and current Journey drummer: Dean Castronovo and, guitarist: Dominic Little for an insane musical project called Repellent. Stay tuned for more from this ever evolving Band of Lunatics.
