International Eastern European gypsy flamenco frenzy 13 MP3 Songs WORLD: Gypsy, WORLD: Eastern European Details: This is the new Special Edition of Samurai Over Serbia. It features an entirely new, much improved recording of Aaron Seeman's (Duckmandu's) song "Extremely Large Congenial Romanian" recorded and engineered by Chris Parsons in Santa Cruz, CA. A great photo from Djangofest 2007 on Widdie Island now graces the back cover, and several errors (whoops) have been corrected in the liner notes. Also, the CD is now in a more artistic and durable DigiPak. Enjoy! For those in need of having their dervish whirled, the Bay Area's Fishtank Ensemble are the rompin', stompin' leaders of cross-pollinated Gypsy music. French fiddler Fabrice Martinez paid dues gigging Europe in a mule-drawn caravan, including stints in Romani villages. El Douje is the master of 21st-century flamenco guitar, while Aaron Seeman (Duckmandu) is the king of punk accordion. Audience eyes tend to focus on Ursula Knudson, not only for her virtuosic saw playing and a voice that sings in octaves not yet invented, but also for her sensual beauty. The mix includes Mike Penny on Japanese shamisen and the world's greatest upright bass slap technician Djordje Stijepovic direct from Serbia. Here we have a young band that is one of the most thrilling live acts on the planet. Michael Simmons, LA Weekly People who are interested in should consider this download.
