

Mp3 Flametal - The Elder

[DOWNLOAD HERE](#)

Flamenco and Metal fusion. True flamenco guitar and rhythms-mixed with very progressive shred metal. In this highly adventurous disc, Flametal proves to be the new blacksmiths of technical, worldly metal. 8 MP3 Songs METAL: Progressive Metal, WORLD: Flamenco Details: FLAMENCO and METAL unite to form the unholy. A new sound, and a fresh take on live performance, Flametal explodes with fiercely original and technical artistry. Live performances includes a full, shredding metal band, with lyrics in spanish and english, professional and sexy flamenco dancers in original choreography, with flamenco guitar at the helm. Flametal strives to deliver a fusion of 50 flamenco, and 50 metal, and does not claim to be either. Guitars, dance/palmas and traditional rhythmical forms of flamenco. Put this into a real metal environment: loud, evil, and technical, ---FLAMETAL--- Benjamin Woods-----Flamenco Guitar, vocals, palmas Uriah Duffy-----Bass Brian T. Spalding-----Electric Guitar Thomas Perry-----Drums Fanny Ara-----Baile, palmas Melissa Cruz-----Baile, palmas Arrangement of tracks #4, #5, #7, by Jason McGuire and Ben Woods Engineering and production by Bob K. Since we are not signed to any label, all proceeds from this self-produced album go directly back to the artist, not some greedy, corporate record label. The concept of FLAMETAL, all music, artwork, and horror stories are by Benjamin Woods, Flametal 2005. "My intention is not to dilute or steal flamenco, but to pay it tribute, and open the minds of others to its richness, while simultaneously staying true to my metal roots."-Benjamin Woods
