Delicate acoustic new age piano 10 MP3 Songs NEW AGE: New Age, NEW AGE: Relaxation Details: I am a 43 years old musician from Turin, Italy. I studied piano and accordion. The passion for music was transmitted to me by my paternal grandmother, who was from Naples. With her cheerful, passionate disposition, so typical for people living in that area, she got me close to the world of music. I have first been fascinated and inspired by classical authors like Claude Debussy, Friedrich Chopin e Sergei Rachmaninov, then I developed a personal creativity getting close to the acoustic new age world, thus matching my classical studies and the modern sound. The references to natural elements are many in my melodies, as I love living in full harmony with Nature and its vibrations. The sea is my main source for inspiration, with its passionate, natural forces always changing. I first published two pieces followed by the review and interview on the magazine New Age (n.136 April 2004 e n.146 February 2005). Then I published my first CD from Dearecords Music Publishing, with the title "Tuscany's Hills" , in October 2006. In January 2008 I produced my new album Stagioni (Seasons), recorded in September 2003. It is dedicated to all the happy experiences of the past, that each of us would love to live again. It stems from memories of summers spent in Versilia (a Tuscany area on the coast) and it is a collection of classical/new age songs , arranged with acoustic and orchestral samplings that give a symphonic characteristic to the compositions (like in the pieces "Il sogno infinito" and "Stagioni")." In March 2008 the second album: "Windsurf". A great project. People who are interested in Ennio Morricone should consider this download.
