[DOWNLOAD HERE](#)

World fusion jazz instrumentals that incorporate the sounds of funk, afro-pop, latin, and caribbean influences, to create a deep, danceable vibe. 5 MP3 Songs JAZZ: World Fusion, WORLD: World Beat
Details: "Building an Engine" is the third release from the ever evolving Furley crew. The band has now become a focused collaboration between saxophonist Julian Fox and drummer Ian Katz. They team up here with good friend and bassist Will Shelley and new guitarist Mike Brick. With stellar new compositions, Furley sticks to their signature "World Fusion" style. You'll hear killer funk, Latin, afro-beat, Caribbean, and disco grooves intertwined with melodic saxophones and wicked guitar licks.
