An eclectic blend of vocal Jazz, Rhythm and Blues, and Pop Rock. 12 MP3 Songs POP: with Live-band Production, JAZZ: Jazz Vocals Details: "Letters Never Sent" is the long awaited release from Garrison Elliott, whose history as an artist and musician is a smorgasbord of creative twists and turns. An accomplished singer/multi-instrumentalist/recording engineer/arranger/producer, at various points in his life he has also been a puppeteer; an actor; a teacher; a model; a singing telegram messenger; a law student; a busker and more. His newly-released Letters Never Sent is a brief glimpse into an extraordinarily interesting and complex life. "Letters Never Sent", the follow up to the critically acclaimed "I've Got My Fingers Crossed", is an all original project showing the diversity in Elliotts style. Listening to this music, the word, honest comes to mind. No posing. No ego. Simple, straight-forward delivery. Impeccable performances. This is music that can be appreciated at any level. A student of music? Youll listen long and hard to find better musicianship. An engineer? The recording could be used for a master class. A romantic? Turn down the lights, kick off your shoes and invite your honey to join you on the couch, in between dances. R. Garrison Elliott is a work in progress, with a story to tell. You may never know all the details, but read carefully between the lines of Letters never Sent, and you may catch a glimpse of an interesting, complicated life few of us have the talent or the courage to live.
