

## Mp3 Gary Jess - Northwest Trilogy

[DOWNLOAD HERE](#)

Northwest Trilogy, A Nautical Journey Through Music, is Gary Jess' musical interpretation of a mariner's return home. Savor the harmony of sounds as you sail along the beautiful coasts of Oregon, Washington and finally into the safe harbors of Puget Sound 10 MP3 Songs EASY LISTENING: Background Music, EASY LISTENING: Mood Music Details: Gary Jess is a lifelong resident of the Great Northwest and his songs reflect his passion for the experiences and places he has savored there. Born in Spokane Washington, Gary's musical talents began at the age of six when he formally studied classical piano at the DeCroff Studios. By the age of nine, he added woodwinds to his talents performing in several orchestras and jazz lab bands. His compositions have received several awards from American Society of Composers, Authors and Publishers and his music has been heard on The Travel Channel, the feature film "Rivers I Have Known" and many regional ads. In 1997, Steinway Sons named Gary Jess to its worldwide artist roster. Included on the Steinway Artist roster have been such immortals as Irving Berlin, Duke Ellington, George Gershwin, Vladimir Horowitz, Ignace Paderewski, Cole Porter, and Sergei Rachmaninoff. Today's Steinway Artists includes the leading stars such as Billy Joel, George Winston, Van Cliburn, Herbie Hancock, Peter Nero, Roger Williams, Vladimir Ashkenazy, Daniel Barenboim and Maurizio Pollini.
