Gelena is writing and performing in her original EURO-AMERICAN STYLE combining Classic Adult contemporary Pop-music with elements of Lyrical Classic Rock and Dance Hip-Hop 15 MP3 Songs POP: Piano, EASY LISTENING: Mood Music Details: Gelenas Story Gelenas music career had an early start. As a toddler she made up little songs and skits, headlining at family gatherings. Thats when Gelenas parents noticed, they had a little performer in the making. Hard-workers themselves, they pushed Gelena to develop her talent. In spite of living below poverty line in Lithuania, they sent their daughter to a music school "" a luxury this family could not afford. Others were drawn by Gelenas bright pure voice, as she performed in school recitals and singing competitions. Her piano instructor saw Gelenas strong creative potential and encouraged the young girl to compose more seriously than before. Gelenas first childrens songs and piano pieces followed and found recognition even among adult musicians. Yet new challenges laid ahead. The familys move from Lithuania to the United States marked a new chapter in Gelenas life. New country, new language, new culture - all were a difficult adjustment for a teenage girl. To help her through the difficult times, she turned to music again. Gelena started singing at clubs and weddings. She quickly won over her audiences with her clear voice and heartfelt, energetic performance, making new fans each time. Today, Gelena is releasing two original albums: Dissolve and My Piano and Me, followed by the powerful, spiritual single Arise. Writing her own songs brings the most emotional, spiritual and intellectual fulfillment to her as an artist. Most of her material is in the genre of Adult Contemporary Pop with a distinct European flavor. Writing and performing in both languages (Russian and English), Gelena has developed her own unique style. Her deep lyrics, moving melodies, and her bright voice make these songs simply contagious...
