She started out recording her first EP of original songs to see what kind of reaction she would get from her efforts. The response has been overwhelming. It has left her fans wanting more. Because of the reaction, she is currently recording her debut full length album of original pieces at Mainwave Studios with Producer Jace Crosby. Heidi's music breaks the musical genre boundaries. She incorporates her love of Pop, Rock, Soft Rock and Christian. The music has an'80's retro feel and you can certainly hear influences from artist such as the Jonas Brothers, Pat Benatar, Madonna, the Beatles, The Go-Go's and even Bon Jovi. Heidi has won various accolades for her performances in local festivals. She has also been invited to play for local charity events and festivals in the wake of the release of the EP. She simply wants her music to make a difference and relate to young adults dealing with similar situations and feelings.
