Americana/Folk/Twangless Country/Skeleton Music 12 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Torn Up Routes has been nominated as "Best Local CD" in the Motif Magazine Music Awards. In addition, Ian has been nominated as "Best Local Folk Act." To vote or to view the complete ballot, visit motifmagazine.net/poll/ ***** How do you define a record that refuses to define itself? You don't. You just recommend that people go out and buy it to discover the rootsy folk-rock magic for themselves. As its name suggests, "Torn Up Routes" -- the sophomore release from poet and musician Ian Fitzgerald -- is full of tales of travel and transition, both real and metaphorical. Defined by Dylanesque poetry and stripped-down melodies that serve the lyrics rather than overpower them, the album blends past, present and future in a format that is technically modern folk, but in reality sounds like a relic of a decidedly less modern world. Vivid and haunting, "Torn Up Routes" is a 12-song trip that anyone who appreciates good music should take. -Lauren Carter The Sun Chronicle
