

Mp3 John Flanders And Double Helix - Stranded In Time

[DOWNLOAD HERE](#)

A jazz quartet that explores the funk and acid jazz flavors as well as bebop and latin with plenty of solo action. It features alto/tenor saxes, and flute. From the Denny Diaz sounds of Pat Terry, to great bass, drums percussion, with guest Ike Willis (12 MP3 Songs JAZZ: Acid Jazz, JAZZ: Jazz Fusion Details: John Flanders Double Helix Stranded In Time John Flanders Double Helix produce a unique jazz/funk sound with flavors of acid jazz and bebop mixed in. John plays alto/tenor saxes, and also features flute and bari sax. Their sound also blends in the tasty groove of the Wurlitzer electric piano. _____

The music swings hard as well as gets funky. They also mix in some latin styles, but it all mixes together for a great consistent listen. The band has performed live on National Public Radio, and won awards for best jazz in their home state. for Frank Zappa fans, longtime sideman Ike Willis guest stars with Double Helix on this c.d. these songs have plenty of great solo work as well some great percussion work from Jorge' Gonzales. the guitar work of Pat Terry is tight and sometime reminiscent of Steely Dan styles. this is a hip fun project that has something for every listener. Stay in touch with some current fresh original jazz and grab your own copy right now! you can also find out more by going to JohnFlanders.com
