Details: KEVIN KEOUGH is a singer/songwriter and soundtrack composer that hails from the New England area of the U.S.A and has travelled and performed extensively. His songs and compositions are full of musical creativity and his lyrics are often philosophical but always accessible. This CD is a varied collection of musical styles that Kevin works with, beginning with the moody Country rock tune "DOWN THAT ROAD". Kevin enlisted the talents of lead vocalist and guitarist TOM ORTH and powerful drumming of PETER RUBBO to give it that raspy vocal sound and electric edge he was looking for. The song speaks of the familiar theme of separation, and the longing for reuniting with lovers and friends. The second tune, "SOMEWHERE IN TIME", utilizes the same team of musicians and with Kevin adding string sections on top of his piano work. It's a dreamy, soulful Country Ballad, a philosophical story of the passing of time and the belief that we all stay connected in our hearts, and eventually reunite. The final 3 songs feature Kevin exclusively through the magic of computer music's ability to emulate all manner of instruments and new found sounds. The first of these, "THIS GIRL", is an uptempo Beatle-esque Pop tune with nice harmonies. Following this is a Latin piece, "CALYPSO CALIENTE", featuring brass and other orchestral instruments. Finally, Kevin presents us with a rhythmic "JUNGLE DANCE" instrumental that drifts through various landscapes of sound. Kevin has been composing music from the age of 6 and has performed in many professional original bands, has music placed in several films and has released several CDs with more in the works. Kevin enjoys spending time with family and friends, meditation, nature and creativity of all

kinds.
