

Mp3 Kubilay Uner - Cinematic

[DOWNLOAD HERE](#)

Music for the stories unfolding in your head. Equal parts progressive film score, academic concert music and ambient electro pop. Best enjoyed when you have time to escape: while driving, flying or just sinking into the sofa with a drink. 12 MP3 Songs ELECTRONIC: Soundscapes, CLASSICAL: Contemporary Details: cinematic twelve sound journeys acoustic instruments electronic sounds - 'short films' without picture... or dialog. Listen when you have time to escape: While driving, or flying, or just sinking into the sofa with a drink. An unusual journey requires unusual vehicles: Custom-built instruments, and re-invented ones, random objects, and soundscapes gathered from around the world. All blended and re-interpreted using odd mangling techniques, both digital and analog. cinematic tells stories without words, conjures up images places scenes ambiguous and clear at the same time, like a dream, or a memory. Music for the stories unfolding in your head. Have a listen!
