Keep grinding, and remember St. Louis is what I breathe, SkreweLoose is how I live. It's all BloodWork.

12 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Larry Flenoid II was born 05-18-1979 in St. Louis,MO. to the parents of Rosie and Larry Flenoid Sr. He has 5 brothers, ( Aubrey, Eric, Antwan, Leron, Loyd) 3 sisters, ( Tresie, Abonie, Lady L). Laddie started music very young, getting his raps wrote by a relative from Cali ( Peanut). The first crew I was in was called DMS with 2 of my brothers (Laddie, Leron, Loyd). We did family reunions, talent shows, parties, all the things 3 cats under 10 could get away with doing. The first song I ever did was called "Ammunition" written by my relo Peanut". With dreams of making something of himself, Laddie wondered down many different roads through life--some hard, some very painful lessons. Choosing his own path didn't always sit well with family, and others close to him. "Just about everything I was doing was called stupid, dumb, insane, crazy, whatever. Family didn't like me too much back then." Having dreams, and feelings that something great would happen sooner or later, he stuck to HIS plan. Feeling like he had no one to talk to inside the family, friends and strangers became more of a family to him. "Just being around me sometimes, different people would say, 'You ain't as bad as everybody saying you are', gave me an understanding on how I was being potrayed throughout the family. I tell my dogs now, 'I'm gone be great, cause I get more love in the streets than at home: It's more people in the streets'". Losing his closest brother (Leron), and his best friend (Ollie Bellamy), he knew his last days were growing far to close. " I had to make something happen". Really feeling alone his trust grew for outsiders, which opened him up to the real and the fake. Pain came daily like the paper, and with his spirit slowly fading away; LexxLou was reborn. "I'm going from St. Louis to Manhattan,KS in the snow when a truck runs me off the road, I do 4- 360's and spin off the road. It wasn't a scratch on me or the car I was in, like somebody was watching over me so my life's

pursuit could continue. It was written for me to do this". With very strong faith and success within reach Laddie continues to do what got him this far. Being himself, working hard, and grinding, staying true as can be and loving those who show love back. "You just gotta be as true as possible to everybody, then you start seeing that love that comes back, Thug Holiday, much respect. But as with the good, the bad can be a wonderful thing as well, it's the fuel that drives me to do what I do, and stay with that heat I'm spitting. Wouldn't have things any other way!" Laddie LexxLou's much anticipated debut album " The Games' Future" Coming Soon. Watch for other upcoming artist and events brought to you by Laddie LexxLou and SkrewsLoose Ent. In Loving memory of Leron N. Flenoid, and Ollie Bellamy. Tags: hip hop/rap: hip hop
