

Mp3 Linda Dian - Country: Traditional Country

[DOWNLOAD HERE](#)

This music is the old fashioned, "tear-jerking" kind of country, while not being twangy. 10 MP3 Songs
COUNTRY: Traditional Country, EASY LISTENING: Crooners/Vocals Details: As most singers do, Linda Dian started out singing in the church choir. Singing Solo, however was not something she did. After experiencing divorce after 25 years of marriage, she had to get her feelings out. Singing proved to be her best therapy. Linda Dian sings just about every night: Karaoke, Sweet Adelines, Open Mic, where ever she can find it. She originally only sang songs recorded by "The Great Patsy Cline". Now she's branched out to include Carole King, Carly Simon, the Platters, Reba and more.
