NEW AGE: Solo Instrumental, NEW AGE: Relaxation Show all album songs: Roses Songs Details:
Roses is a mesmerizing marriage of ambient New Age sounds and acoustic harp and lyre melodies.
Ranging from the more subtle Mystic Rose to the deeper fuller sound of Hana Rose, Roses provides an
array of enjoyable tracks. The songs included in the Roses series (Roses Two and Three coming soon)
were interestingly written in two ways. Some songs were titled upon completion of the music, and others
created to suit the title of the piece. Regardless of the inspiration each track on Roses showcases the
soulful energy of New Age new comer, Mark Bensette Aux Bois Relax and Enjoy
