"Sugarcane will rattle the junk in your trunk and put the "F.U" back in funk. 13 MP3 Songs ELECTRONIC: Funk, ROCK: Funk Rock Details: Matinee SLim's new album, 'Sugarcane', is the third release (second full length), from these maestros of all things funky. Named for thier late keyboard player Joe "Sugarcane" Ingraio, it represents both a tribute to the past and a thoughtful new direction. Clever songs and powerful hooks abound on this album where musicianship and songwriting mesh in an effortless synchronicity. Class, style and attitude are trademarks of the Matinee sound making every note of 'Sugarcane' as irresistible as the members themselves. Big sound, monster hooks and killer playing; 'Sugarcane' is, hands down, Matinee Slim's best record to date.... not to mention, the future of funk.
