Mp3 Mike Dinneen - Coffee With Mavis

DOWNLOAD HERE

In the style of early Buffet and Prine, Mike's songs are populated with unusual characters, and their adventures are documented with humor and compassion. 10 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: As I wander through life, there are certain stimuli that carry me to a gentle oasis of reflectivity. The smell and crackle of a wood fire, fresh pine needles, waves crashing on the shoreline, the mournful cry of a loon, rain tagging the roof, snow drifting downand the smell and taste of fresh coffee. I invite you to join me now, put up your feet and pour a cup. The making of this CD has been a year-long coffee break for me. Each song is a remembrance of places I have visited in my odyssey. I am grateful to all the people I have met along the way who provided me with the experiences which inspired the songs. They gave me the seeds which I then planted, watered and generously fertilized. Not all the seeds grew, but 10 survived and bloomed into the songs you are about to hear. I hope you enjoy your time strolling through this little garden of my muse.
