Contemporary Christian singer/songwriter who has acoustic tones infused with a touch of pop and jazz. 8 MP3 Songs POP: with Live-band Production, SPIRITUAL: Contemporary Christian Show all album songs: Divine Destiny Songs Details: When it comes to spiritual gifts some people are blessed from birth. Kamilah Marie Allen Burrow, known as "Milah", is an artist who was born to sing, play the guitar, piano, and write great music. Milah was first introduced to the piano at the tender age of four which transpired in to years of lessons and dedicated practice. Her love for the guitar gave her the fortitude to master the acoustic and electric guitar. Milah is still working hard at mastering classical guitar. Milah's first song was a ballad she penned in 2003 Peace Of Mind which speaks of a righteous journey through which God kept His hands on her and brought her to the fullness of having a passion to lead others to a common meeting place with Him through her music. Who Lives In Me is another of Milah's songs expressing her humility and willingness to change for the better. The seasoned and poignant lyrics in Divine Destiny were inspired by 2 Peter 1:3; His divine power has given us everything we need for life and godliness through our knowledge of Him who called us by His own glory and goodness. Her favorite scripture is Philippians 4:13, I can do all things through Christ who strengthens me. Milah is humbly blessed with such merits as being a finalist in a recent International Songwriting Competition and having the opportunity to receive vocal instruction from Jan Smith and Heidi Higgins of the renowned Jan Smith Studios (clients include multiplatinum talent Usher, Rob Thomas, and India.Arie). She's excited about her finished recording of her current CD with Grammy award winning producer Don McCollister (Third Day, Indigo Girls) and ready to hit the road to reach her peers with inspirational messages through her positive and uplifting lyrics. Milah has been playing throughout the Atlanta area for the past couple years in places such as the well known local cozy coffee shop The Daily Grind and Eddie's Attic as well as many local music venues. She's

traveled as far as Nashville to play the famous Bluebird Caf and plans to conquer many more areas within the Southern Region of the US. Many of the people shes played for on her journey would describe her music as wonderful rhythmic songs with the tranquil and loving spirit reminiscent of a peaceful sun kissed breezy springtime afternoon. Milahs Production Company, DoveLove, Inc., is dedicated to addressing the needs of the homeless, mentoring youth, providing scholarships for college bound students, and eventually collaborating with other artists to perform benefit concerts to help young artists achieve their dreams. Some of the Organizations shes contributed her generous nature to are Feed The Hungry Foundation, American Cancer Society and her music ministry work with the Shepherd Center. Future plans for Milah and her husband Eddie are to build a homeless shelter/rehab program for adults and youth, as well as open a co-ed youth development center.
