Soul-filled acoustarock ear candy 8 MP3 Songs ROCK: Jam-band, ROCK: Acoustic Details: I began singing in first grade. Began playing guitar in 1995 and then writing music in 1996. I write music about where i am and how it relates to how i see the world. its real music with real emotions. even if you don't get the lyrics, you will feel what is going on inside my head through my voice and my guitar. That is what's important...relating. 6 billion people in the world and we all feel the same handful of emotions...enjoy!
