a conviction of the heart, to show our love for god. 14 MP3 Songs GOSPEL: Traditional Gospel, GOSPEL: Contemporary Gospel Details: I Wade Scott starting singing when I was just a lad. Running behind my dad in the field. And when I started plowing those mules. I really learned to sing, to keep from inhaling. And I can remember singing in church, standing in a chair so the congregation could see my face. And from then to the time God has called me into the ministry, I would emulate and copy any artist that sounded good; rather it was male or female. After my calling in 68, I mostly sang and wrote my own songs and they are all Christine gospel songs, of conviction and testimonies that have happen in my life. Just remember God said if you go then I will go with you, I would never leave you or forsake you. I was standing on my balcony in 1985 looking over ocean in mertar beach sc. As I looked up at the sky, to my surprise I saw a cloud figure that looked like Jesus on the Cross. It reminded me that we must go by Calvary with our problems through they may be hard aces and pains. Jesus said take up your cross and follow me for my yoke is easy and my burden is light. So from him he gives us courage to bare our burdens thanks be to God. Enjoy your cd which you have purchase from us. We love you Pastor Wade Scott The ORWS Singers.
