Summer 2007 myspace.com/stevewallacemusic stevewallacemusic.com Steve Wallace "Hope 4 Tha Holiday's" (Limited Edition) An indie SOUL scene FIRST from SOUL star Steve Wallace! "Hope 4 Tha Holiday's" is a soon-to-be-classic indie soul holiday album complete with traditional, original songs and even a Negro spiritual. Steve Wallace, "The Ambassador of Urban Soul (a moniker he's truly earned); has created a special treat for those who seek out indie soul. Steve Wallace has created a holiday album that is never clich but is a work of art to be enjoyed year around. Steve cleverly put his own funky spin on some Christmas classics and created some holiday originals that are an absolute aural pleasure. Steve's performance on this holiday album brings to mind the holiday soul classics like Donny Hathaway's "This Christmas" Bill Wither's "The Gift of Giving". Like the aforementioned classics Steve has put his signature style which is a wondrous blend of funk, soul hip hop into a great holiday album. "Hope 4 Tha Holiday's" is that kind of album that uplifts listeners and creates a down home soul Christmas vibe. So if you are really feeling Steve Wallace and I know you are then you'll love this new album."
