Traditional foot-stomping and clapping quartet soul stirring music. Music that reaches the heart. 10 MP3 Songs GOSPEL: Traditional Gospel Details: The Gospel Holy tones was formed in 1977 by Brother Obie Freeman and Bill Moore. Brother Steve Shaw joined the group just after starting it up. These three singers have been singing together for twenty eight years. Brother Leonard Baldwin joined the group eight years ago and brings with him his tenor voice. Brother Elmo Hawkins, Steve Shaw's cousin, joined the group three years ago and the Lord has blessed us to make our first CD, He's Got My Back. We believe in the Father, Son and the Holy Ghost and incorporate what we sing about into our daily lives recognizing only what you do for Christ will last. We don't sing to entertain, but to praise his name. Our message in our music is for the sin, sick, and the lost and anyone who needs to be uplifted. Salvation is the key to the kingdom of Heaven. Romans 10:9 tells each individual what it takes to be saved. My most earnest prayer is that we all be saved and meet on the other shore in heaven. The Gospel Holytones have Traveled and performed with the Mighty clouds of joy, The gospel Keynotes, The Jackson Southerneers, The Williams Brothers, Slim the Supreme Angels, The Soul Stirrers, Shirley Ceaser, The Violinaires, The Texas Boyz among many other Gospel Greats. May God richly bless you and thank you for your purchase of this CD, He's got my back. May it be a blessing to you and your family. Bro. Steve Shaw.
