Mp3 Threeli - The Sound Ascendancy

DOWNLOAD HERE

A series of up-tempo frenetic tracks; mostly comprised of schizophrenic beats laid over an eight-bit sound scape. 16 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: Experimental Show all album songs: The Sound Ascendancy Songs Details: Threeli grew up in and about Seattle as Eli Cordy. Originally focusing his sound around the cut and paste styles of early electronic(a) choosing to move towards a more beat and noise oriented sound throughout early 2005 and onward. This style choice held strong during the conception and production of The Sound Ascendancy. Look forward to future works by Threeli.
