This music is original novelty country that "sticks" to your long-term memory like crazy glue. 17 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Country Blues Details: Wild Wild Forest comes out of the chute with up-tempo, foot stompin', thigh-slapping'; country novelty songs that will make...GREAT BALLS OF FIRE...sound like a nursery rhyme! Wild Wild Forest is versatile, can make you jump out of your seat with one of his high-energy country songs or have you sit there smiling with tears in your eyes with a beautiful ballad. His vocal range is from a raspy baritone to a soul, touching tenor. He was born in Alabama and has been singing country music since the age of 10. He has been deeply influenced by Willie Nelson, Hank Williams, Sr., Charlie Pride, and Merle Haggard. Wild Wild Forest writes his own songs and has also written for artists, who had number one hits. Little Milton, Malico's recording artist, "I Don't Believe in Ghosts," who performed on national television's David Sanborne's Show; Lenny Williams, former Tower of Power's lead singer, entitled "Drifting," on Bellmark Records; and Ernie Johnson, "Cold Woman," for Jewel Records. Warner Brothers included "Cold Woman" on a double CD Blues classic, which has been internationally distributed. He has mastered 17 great country songs in a twenty-four-track studio with all live musicians. He is ready to give the world the most comical, power-packed, serious and raw country they have ever heard! Wild Wild Forest believes: "A song is like a child, nurture it well, when it grows up, it will make you proud!"
