BOLD - EXPLICIT - EROTIC. Think hard about what these three words mean because this is what you'll find. 22 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: White-Boy Rap Details: Kansas City Missouri recording artist Woodgrain blasts through the music scene with this masterpiece. Having the album packed with 79 minutes of raw lyrics and bangin' beats makes this project one that will go down in the history books. Pick any track and I guarantee it will rattle the license plate off of your car, and have your head bobbing instantly. In a strive to make one of the hottest albums in the Midwest, this sophomore project shattered any stereotype one may give to an independent artist. From production, to quality, to product packaging, Woodgrain Reflection of Self has set the bar for independent record companies. Each CD tray in the case has been sprayed with an aluminum alloy that chemically bonds to the CD case to create an eyecatching reflective metallic product. Knowing the struggles of being a recording artist due to the independent music stereotypes, unique product packaging has much to do with the success of the album. Each person that has bought this CD soon found out they got a lot more than they thought they were paying for (21 full length hit songs). Not only does the album look hott, it sounds just as hott.
