

My Beautiful Game - Nancy Dell'olio

[DOWNLOAD HERE](#)

Though Nancy Dell'Olio is no stranger to the front pages, her real story has never been told. Now, for the first time she talks about herself, her life and the passions which have inspired her. It's a story which millions think they know already, from the acres of purely speculative newsprint which this fascinating woman has generated. Prepare to be surprised! The real story is far more gripping than the fictional one. Born and brought up in New York City, Nancy is a true woman of the world. She has the temperament and style of an Italian, yet she lives in London and has adopted an English lifestyle. She is also a proud European, a Catholic, a Jew and a true internationalist. She is also a successful lawyer with a keen interest in politics and world affairs - a woman for all seasons. Nancy has always emerged serene from scandal that would break most people. She values her sense of humour as her saving grace. Remember that scarlet cat suit entrance to Downing Street and all those classic red carpet moments? Nancy is just as at home in combat jacket and fatigues on the streets of Ramallah as lunching at Claridges. Fashion is fun and life is too serious to be taken seriously. Nancy's book tells the whole story of her life so far. From her childhood in New York and Puglia in Italy and the accident which nearly killed her, to the successful career in in commercial law and the passions which drive her on, despite all too public crises which would be the end of most of us. This is an inspirational and entertaining glimpse into the life of a fascinating and enigmatic woman.
