

Abingdon New Testament Commentary - Galatians - Sam Williams

[DOWNLOAD HERE](#)

This informative and engaging commentary invites modern readers to "overhear" Paul's letter as if they were present in one of the Galatian house-churches where it was being read for the first time. By setting aside the theological baggage of the centuries that burdens many other interpretations of Galatians, Williams allows the Apostle's own provocative thought to be encountered freshly and appreciated anew in its own terms.
