Tom Cochrane should consider this download. Details: Darrel Martin is a music man who has been writing and performing for many decades. And yet you could say his career has really just begun. His new all-original CD blends deeply personal lyrics with uplifting and hauntingly beautiful roots music; creatively re-invented for the 21st century. Produced by keyboards master John Lee, and supported by an all-star cast of local (world class) talent; the CD comes together in the hands of award-winning engineer Bob Guido. Darrel's debut album is the culmination of years of work; and re-working; in pursuit of a definitive sound and a cogent statement. He has achieved his goal, and now this CD awaits your discovery.
