Celebration for the Dead Lauren Dane Witches Knot 5 Vampire Hunter Minx Rodriguez decides to mix a little business with pleasure when she heads to Mexico to celebrate El Dia de los Muertos. She's hot on the trail of the vampire who not only took her hostage and tortured her but also killed her friends and family. Connor Bell finds himself in love with a Vampire Hunter who's skipped town without notice-much like he did to her just two weeks before. He heads to Mexico to find her and make things right. Even as they work through their problems and plan a feast to celebrate the lives of those they've lost to the Oathbreakers, the threat remains. A Hunter's job is never done and there's a job to do in Mexico. The question remains as to whether Minx and Connor can survive what'll be asked of them both.
