

From The Wilderness To The King's Table - Bonnie Rowan

[DOWNLOAD HERE](#)

From the Wilderness to the Kings Table is a story of the journey every Christian must face to reach their God-given destiny, as well as a road map that chronicles the progression of the church into the new season we are entering today. It highlights the trials we face as we move from the old to the new, both personally and as a church body. Using various biblical examples, it is an excellent resource for leadership training that can be used to equip the saints to recognize things that reside within all of us that hinder our progression to maturity.
