Many of my readers have contacted me to ask how they could adapt some of the core recipes featured in The Everyday Halogen Oven Cookbook so that they could cook them for two people. I have carefully selected some of the most popular recipes from that book and reworked them to serve two. I have also included a large number of new and exciting recipes which work really well for two - these form the majority of the recipes in this book. If you can't find your favourite recipe from my first book in the following pages but would like it adapted to serve two people please let me know via my website sarahflower.com.
