Details: After 10 years of music and 14 albums/compilations released, Xavier Boscher is a productiveness musician. His work contains great melodies and amazing synth ambiences between rock, new-age, classical and progressive music... He was born on 23 December 1979 in Poissy, France. He began piano at 10 years and guitar at 14 and played his first riffs on french metal band called HORRESCO REFERENS in 1997 during two years and recording a first album. The year after, he joined MISANTHROPE, the best french metal band, as lead guitar player for the "Temple of Humiliations Tour" during April-May 1999. He recorded two albums in 2000 with it : "Recueils d'Ecueils..." and "Immortal Misanthrope" ; 30 000 albums were sold all over the world... After many experiments and happy familial events, Xavier is released his first solo album named "A Part of Utopia" in 2006, a cocktail of guitar melodies, strings and new age ambiance... This opus was sold on many digital stores all over the world. Second album "Musical Voyage" was available in 2007, a journey with world-music ambiance and progressive new age vision... Meanwhile, NEBULEYES is working on its next album with a lyrical female singer. Third solo album "Guitamorphosis" was released this year and contains 9 tracks of ambient synths and guitar solos...
