Details: "When it comes to singing a new song, Adam offers a fresh point of view, both lyrically and musically. Keep an ear open for this young talent." -Rick Huemmer, WorshipWerkes "If Adam Whipple could be packaged in the form of a pill, I would offer him as an antibiotic to a congested world too busy for itself and infected with sound bytes. Take two songs in the morning, let them inform the way you look at the world, and you'll feel better by the end of the day. Adam - as a person and a musical poet - wears well on the heart, mind, soul - and body." -Kenny Woodhull, New City Cafe, Knoxville, TN "...original acoustic rhythms and heartfelt lyrics." -the Management, Ground Effects
