Songs that are vulnerable, clever, and beautiful-appeal to virtually all listeners because of their raw connection with human fear, hope, and triumph. He not only wears his heart on his sleeve, he wears your heart on his sleeve. 10 MP3 Songs ROCK: Acoustic, ROCK: Emo Details: The music of singer/songwriter Cary Judd will surprise you. Whether you see his live performance or enjoy his new CD, aptly entitled "Perfect Uncertain," you will be intrigued by the contradictions he explores. His songs-vulnerable, clever, and beautiful-appeal to virtually all listeners because of their raw connection with human fear, hope, and triumph. Cary's live show is deceptively understated-just a man and a guitar. But what you see is not what you get. He starts by playing a riff or progression that finds itself embellished in a swirl of loops and delays that he masterfully creates with a series of electronic pedals at his feet. Cary impressively redefines the one-man-show. Cary Judd is from Moose, WY. He has played at such well-known venues as The Roxy, the Whiskey, the Viper Room, and the Ventura Theatre. In addition, he has opened in concert for David Wilcox, Missing Persons, Peter Breinholt and Nerf Herder. His music has been featured in commercials, on KTLA5's good day L.A. by Jillian Barberie, and in several surf movies.
