Hawaiian theme embracing styles from light jazz to classic pop to Latin. Originals and covers fresh-made (2006) in Hawaii by an island premiere vocalist. 11 MP3 Songs EASY LISTENING: Lounge, WORLD: Island Details: Hawaii-born singer/songwriter, Connie Kissinger, offers her musical legacy. KISS is an inspiration of the islands. A delightful selection of Hawaiian themes...from tropical fruit to Kona coffee, barefoot swing to sailing, seashells to starry nights. Ms. Kissinger's lively composition, Island to Island, is a humorous comparison of her life in Hawaii vs- Manhattan (where she resides part-time). A lush, exotic arrangement of Love Song from Mutiny On the Bounty showcases her range and vocal discipline. For native-style classic pop, ukulele captures the hypnotic ocean rhythm on Christopher Cross's Sailing. Kona Coffee Song (another KISS original) delivers an electric caffeine high set to a calypso beat. Kissinger is a seductress with a sultry interpretation of Papaya. In bidding a fond aloha --The Queen's Prayer for a poignant closing. Ms. Kissinger is known in the islands as a vocalist of varied styles. In keeping with a true musical legacy, KISS embraces jazz, pop, Latin, exotica, rock, and classic Hawaiian. Perhaps it's her blood a mixture of Chinese, Hawaiian, German, Irish, Dutch, Scottish, and Czech to prefer diversity. After all, KISS was created by a wahine (woman), so moods will change. KISS lyrics are sprinkled with Hawaiian words and phrases; you will find simple translations on the insert fold-out. If you are a stranger to the colloquial pidgin English the artist playfully flaunts on Islandhang loose and no worry, beef curry. It's all in fun! And if KISS makes you smile, Connie will consider her project well-done.
