SMOOTH JAZZ WITH A SIGNATURE STYLE. 12 MP3 Songs JAZZ: Smooth Jazz, URBAN/R&B: Contemporary urban Details: Home Recording Sensation Releases Second Project Terrence D. Searcy, also known as "D. Terry", has just released his second contemporary jazz CD entitled, "Twelve 'Till". This second CD, released just this past April, contains an original collection of exciting, upbeat and still soulfully smooth jazz tracks. Although the concept is slightly different than his first release, "My World", the artist's unique style still comes through. Terrence debuted with "My World" in October 2002. Plans are already in the works for a third release in 2004. According to Terrence, "You can do anything you can imagine." Terrence has a certificate in Recording/Audio Engineering from the International College of Broadcasting located in Dayton, Ohio. He also has a working knowledge of Roland, Korg, Wavelab, Cakewalk and other various hardware and software products. His most recent accomplishment includes; sound engineer for the Brookville Community Theater. He has been apart of the productions "Deathtrap", and "Phantom of the Opera". Terrence is currently working toward his dream of composing scores for major motion pictures. Samples of his work may be heard online at WWW.CDBABY.COM . Both CD's can also be purchased at this site. Please feel free to contact the artist online at WWW.CDBABY.COM or via email at DTMUZIK@aol.com . For Further Information contact: Terrence D. Searcy Phone: 937-854-4708 Email: DTMUZIK@aol.com
