Original songwriter's demo. Silky sounds. Nice mix. 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Traditional Country Details: You will never hear anything this true. It's an original songwriter's demo. All written and performed by David Wells (except one tune performed by guest vocalist, Marsha Graham). The album was produced by the one and only, Allen Waterous. Various studio artists contributed instrumentation and Jeanette and Allen W did an amazing job on background vocals. Only a few hundred of these albums were ever pressed. The CD is also in limited quantity and being sold quickly. If you want one, please hurry and order through cdbaby. The albums were pressed on symphonic quality vinyl by Leo DeGarKulka (RIP) at Sonic Arts in San Francisco. This is the man who pressed Janis, GDead, Credence, JimmyH...all the famous 60's hippie bands. He was a legend. Hi-def Digital CD transfer is absolutely phenomenal. All A&R interest in the material (for publication or performance) on this CD should be directed to David Wells through cdbaby.
