The Harmony album is similar to a beautifully composed and relaxing movie soundtrack. Similar in style to New Age with orchestral accompaniment and solo piano. These melodies bring peace and relaxation and stir the imagination. 10 MP3 Songs EASY LISTENING: Mood Music, NEW AGE: Healing Details: If you love a beautiful movie score, check out these original melodies and arrangements on "Harmony".

Frank Defino Jr has been composing and performing music in all genres for over 4 decades. He lives with his wife and 3 daughters who are the love and inspiration of his life. Frank's love for the arts and music started at age 4 and continually propels him to create new music compositions today. Early in his career, Frank won back to back "Best of State" drumming competitions. He currently plays 2 instruments, Drums and Piano. Frank's music on this current release "Harmony" features all solo piano music blended and crafted within the backdrop of a full symphonic orchestra....very similar to a beautiful movie soundtrack. Frank has written, recorded and performed music for TV and Radio spots such as McDonald's, Kroger Foods, Kraft Foods, Honda, Yahoo, Lucent Technologies, Enesco and many others. He has also co-written and recorded the Chicago Cubs Theme song for WGN Radio that is played for the past nine years before, during and after every game. Frank performed live and has toured with such legendary greats as Paul Anka, Chuck Berry, Jerry Vale, Frankie Lane, Howie Mandel, Joan Rivers, Bob Hope, Cid Cesar, and Gary Shandling. Frank was also co-writer/producer for the "Let's Sing and Learn" Children's music series that featured 29 titles on cassette, CD and video. In 1996 and 1997, Frank was nominated for 2 Dove Awards for "Best Children's Music Album of the Year" and "Best Enhanced Children's CD Album of the Year". Currently, this music series has sold over 1 million units worldwide in stores such as WalMart, K-Mart, Target and Circuit City. Frank also recently created Lily Park Character Inc which features his music CD's packaged in a patented gift box design including beautifully matched wine and

wine glass charms. Frank is continually inspired by life instances and it shows through his music which has touched so many people, young and old in a calm, soothing and sincere way. His melodies and songs are memorable. "Harmony" speaks to the very emotion and feeling of blending together beautiful orchestrations as the music is perfect for relaxing, listening in the car, dinner parties, client gifts, office music and general overall healing.
