This collection contains a variety of comedy and satirical songs written and performed by Harve at various stages in his career. This set includes the award winning HOT KELLY (Best novelty song - Philly Rock Guide), the Dr. Demento favorite PIG IN A COWSUIT and a live version of Harve's most requested song HIT IN OUTER SPACE. People often ask who is singing lead on some of the songs like the spooky lead on BLOODSUCKERS or the fallen down drunk on FENCES TO MEND and others. The answer is all of those voices are done by Harve who also does all the keyboard and lead guitar work as well as most of the bass parts. Guest musicians include Jeff Ganz, Peter Morrison, Joseph Paige, Joe DeLuca, Garry Lee, Phil Small and Steve Goodie. Two Christmas bonus cuts are also here to help liven up your holiday spirits.
