

Mp3 Jon Garcia - Folk: Power-folk

[DOWNLOAD HERE](#)

This is music you want to hear when you are driving in your car most likely, maybe walking the dog or knitting, these are sweet sweet folk rock melodies good for any emotion. 14 MP3 Songs FOLK:

Power-folk, ROCK: Modern Rock Details: Originally from Austin, Texas, this Portland based songwriter is currently touring full time to promote his recently completed self titled record. The record was produced at Haywire Recordings in Portland and engineered by Robert Bartleson (Wilco, Desert City Soundtrack) The record is versatile with tracks that whisper nuances of folk rock and jazz at times. The instrumentation is vast while remaining tasteful and the lyrics abstract but personable.
