Acoustic folk with a twist of country and the blues. 11 MP3 Songs FOLK: like Joni, COUNTRY: Country Folk Details: I remember sitting on my front porch when I was about 10 years old trying to write my first song. My dad had taught me a few chords on my Woolworth guitar. I think I was 12 before I wrote a complete song that I would sing to anybody. I grew up in Nashville and with this passion for music inside of me, I dreamed of hearing myself on the radio and having my own album. I am really proud of both of my albums, but especially proud of this new one, These Two Hands. Three of the 11 songs have already received national attention. And the production is just right! I hope you will check it out and enjoy!
